

Caesarstone and Marble Express present **Re-evaluating Kitchen Surfacing**

What?

- Discuss the trends of kitchen design in terms of functionality and surfacing options
- State the design and performance benefits of quartz surfacing
- Explain the innovative use of quartz surfacing to transform kitchen design
- Describe the application possibilities of quartz surfacing beyond the kitchen

Maggie Rybak is an Architect and Design Consultant for Caesarstone. Previous to her role at Caesarstone, she worked as a Project Manager at EcoMinded Solutions. She had a successful career in media sales as an Account Director. She graduated from the University of Kansas with a BS in Strategic Business and later obtained an AS degree from Southwestern College in Landscape Architecture.
